Delivery service estimates are based on mainland UK only, and are dependent on stock availability. Other serviced areas may have an extended delivery time frame. Although we endeavour to deliver all orders within the quoted times, the seller shall not accept any liability for failure to dispatch within this time.

For any failed deliveries due to the end-user, the seller will charge for failed delivery and redelivery. Despatch times will be extended during holiday periods. Failure to supply the seller with all required delivery information may result in extended despatch times.

All deliveries are made curb-side, and it is the responsibility of the person accepting delivery to transport goods into the property. Damages must be reported within 48 hours; any claims reported within this time will be judged at the discretion of the seller.

The seller cannot accept responsibility for any claims made after this time. All deliveries must be fully checked by the person accepting delivery and any shortages reported at the time of delivery.

This publication is issued subject to alteration or withdrawal without notice. The illustrations and specifications are not binding in detail.

All offers and sales are subject to the company's current terms and conditions of sale. Printed colours in this publication, whilst a good reflection, they may not be an exact match to the finished products.

All prices shown include VAT and are correct at the time of going to press.
